THE TALK OF THE CAMPUS

Glass of 1945

THE graduating class of 1945 was honored at the annual alumni luncheon, Saturday, May 26, when they were inducted into the alumni association by Trustee Joseph V. Kline, '13, of New York City. Miss Barbara Boyd, of West Orange, N. J., retiring president of the Juniata Senate, replied for her class. The speaker at the luncheon, Prof. M. Allen Brumbaugh, '18, of Buffalo, retiring president of the association, was presented by the toastmaster, Mr. Robert Bagshaw, '29, of Hanover, a member of the executive committee.

The officers for the national association as announced were: E. P. Blough, '10, Johnstown president; Ruth Williams Replogle, '17, of Roaring Spring, alumni representative on the Board of Trustees; Foster Gehrett, '16, of Pittsburgh, first vice president; Louise Beachley Snyder, '23, Bedford, second vice president; and the Rev. Paul M. Robinson, '35, of Hagerstown, Md., member of the executive committee for three years.

A tribute was paid to the six hundred and thirty-two Juniata-ians in the service of their country, including the twenty-one who have died in action, by C. Jewett

Henry, '29, of Huntingdon, a member of the executive committee.

Another interesting feature was the presentation of the statement: "A sugar maple tree has been planted near Oller Hall by Samuel Emmert Miller, '17, Midland, Pa., Helen Miller Smith, '17, of

Waynesboro, Pa., and Rachel Miller Boerner, '17, Waynesboro, Pa., in honor of their parents, Mr. ('92) and Mrs. (Student 1891-92) D. L. Miller, of Confluence, Pa., in recognition of their life-long interest in and love for Juniata College."

Because of the accelerated program, students graduate in January, June and August. There will be twelve candidates for degrees at the close of the summer term. The thirty June graduates were: Doris Louise Beckley, Donora; Barbara Ann Boyd, West Orange, N. J.; Felicia Mary Cimino, Os-

ceola Mills; Betty Jean Cochrane, Clearfield; Raymond Richard Day, Huntingdon; Charlotte Elizabeth Dunmire, McVeytown; Jean Annalee Haag, Huntingdon; Hazel Fern Hemminger, Boswell; Martha Crouthamel Hoffer, Ambler; Elizabeth Wyndham Isenberg, Coraopolis; James Allen Isett, James Creek; Boyd Christian Jensen, Huntingdon; Helen Anna Keller, New Bloomfield; Robert Gladden Kelso, Canonsburg; Mary Louise Koch, Scottdale; Miriam Louise Leiter, Hagerstown, Md.; Mildred Alma Lorenz, Huntingdon; Anna Cree Luck, Lewistown; Florence Magdalene Miller, Waynesboro; Margaret Ruth Miller, Saltsburg; Mary Esther Rodgers, Huntingdon; Mary Jane Rummel, Glenshaw; Ruby

Marie Sheterom, Saxton; Nada Belle Shoop, Shade Gap; Gretchen Bonita Smith, Fayette City; Louise Sloan Stayer, Huntingdon; Dorothy Isabel Townsend, Georgetown, Del.; Sara Ellen White, Harrisburg; Charlotte Louise Young, Frederick, Md.; Jean Dunkle Zook, Johnstown.

Mary Louise Koch was graduated *cum laude* and was also the recipient of the A. B. Brumbaugh Science prize of \$100.00 as announced at commencement exercises, May 28. The Justina Mar-

Juniata Tomorrow

by President Calvert N. Ellis

THE BOARD of Trustees at the May Commencement announced their plans for the immediate post-war years. They adopted the recommendations of the Juniata Planning Commission after carefully considering the report which contained a detailed study of the College's purposes and facilities.

The trustees approved the architect's drawings for a Student Social Center and enlarged Dining Hall to be erected as an addition to Oneida Hall and Brumbaugh Hall. They also accepted the Planning Commission's recommendation of a Memorial Men's Gymnasium in honor of the Juniata men who served in this war. The College will solicit from its alumni and friends \$200,000 for these buildings and will proceed as soon as the funds and building materials are available. By vote of the Executive Committee of the Alumni Association all contributions this year, unless otherwise designated, will be placed in this building fund. The trustees reorganized the Juniata Planning Commission and asked them to direct the fund-raising activities of the College.

The years immediately ahead will impose great responsibilities upon the colleges of the country. The armed forces and the agencies of government have placed such a premium upon a college diploma that the colleges and universities will be overcrowded. So many will expect so much that each institution must be definite in its purpose and adequate in facilities. The objectives of Juniata College are clear.

First, Juniata chooses to remain a small college of less than five hundred students. Only so can we maintain the associations and personal relations so distinctive of our campus. Here each student is an individual person whose development is our mutual concern. Each member of the college com-

munity has a responsible part in carrying forward our common life. These responsibilities and opportunities are the experiences that build character. Our admissions program should select those who by intellectual ability and personal fitness will be able to gain most from and at the same time contribute to our educational environment. With scholarships and grants the College will offer its privileges to capable young people regardless of the economic status of their parents.

Second, Juniata is a college of liberal arts and sciences offering a broad general education as a foundation for graduate and professional study. Eight years ago the curriculum was revised to provide better integration and a larger core of general courses. The College has an obligation to train its students in accurate thinking and to make them conscious of their cultural and spiritual inheritance. To discharge this obligation requires a faculty of interesting alert teachers. The stimulus of a favorite professor is a precious memory to many Juniatians. However, if we expect our professors to give their lives in the building of our college we must offer more adequate remuneration. This will be possible as we increase the permanent endowment funds of the College.

Third, Juniata was founded by members of the Church of the Brethren to provide educational opportunities for their children. Although the College is not sectarian in emphasis nor exclusive in its admissions policy, it is Christian in purpose and ideals. We endeavor to provide an environment in which it is easy to practice the Christian virtues and in which Jesus Christ and His church are honored.

Fourth, Juniata must have enlarged physical facilities to carry out its educational purposes. After

the first world war the student enrollment grew from 182 in 1922 to 534 in 1932. Although a large number of these were day students, the college plant was inadequate. The Planning Commission found so many urgent physical needs that it was difficult to decide which should have priority. However, the lack of a student social center and the inadequacy of the dining hall stood out above all others. The architect's plans double the floor space of the dining hall and provide for special class or group dinners. The Student Center, which will be adjacent to the dining hall, includes the college book store and post office as well as recreational opportunities.

The gymnasium is small and no longer suitable for men's intercollegiate basketball. The Commission therefore recommended a new memorial gymnasium in tribute to the more than six hundred Juniata men who have served their country during this world conflict. The present gymnasium will be remodeled to offer better opportunities for the young women.

The men returning from service and the broadened academic program will place a burden upon the entire college plant. The Carnegie Library, which thirty years ago was outstanding among small colleges, is inadequate both in reading rooms and in book space. It is hoped that some friend will furnish the funds to enlarge the library, providing two additional reading rooms, seminar rooms and shelf space for one hundred thousand volumes. The fire at 1630 Moore Street focused our attention on the need for a music building. Oller Hall cares for only a part of the musical activities. Studios, practice rooms, and the Carnegie listening hour are scattered over the campus. The Home Economics Department has the largest enrollment in the College and needs a building of its own. This would coordinate the department's activities and release space in the

949 Contribute \$17,014.58

Although it was not by much, the \$17,000.00 objective for current expenses was more than met with 949 Juniatians and friends of the College giving a total of \$17,014.58. This college year has been the most critical during the war period and for that reason these contributions have been especially helpful.

Science Hall. Additional classrooms must be found and also residence facilities for men. The Cloister will house just half of our men when they get back. We can make temporary arrangements but must plan for another men's residence hall.

These are our plans for Juniata in the post-war years. This is the program to which the board of trustees invites your support. We believe that Juniata has years of great achievement ahead.

AAUW Approval

JUNIATA COLLEGE has been voted approval for membership in the American Association of University Women. Alumnae who hold A.B. and B.S. degrees granted by Juniata College meet the Association's requirements of fifty per cent liberalizing content, and are eligible for national membership in the A.A.U.W. President Ellis was notified of this approval in early June by Dean Janet Howell Clark, chairman of the Committee on Memberships and Maintaining Standards of the Association.

Myers Scholarship Endowed

AN ENDOWED scholarship of \$5000 in English has been established by Mrs. Oscar R. Myers, '02, and her daughter, Mary Ruth, '38, in memory of Prof. O. R. Myers, who was professor of English from 1905 to 1924 and treasurer of the college from 1924 until his death in 1942. The income from this fund will be used for a scholarship for students majoring in English. Miss Myers is on the faculty as instructor in music.

Leshner Scholarship Endowed

MR. and Mrs. ('05) Chalender H. Leshner, of Huntingdon, have established an endowment of \$5000 in memory of their son, Lt. Chalender Lee Leshner, '39, who was killed in action in Europe. The income from this fund will be used for a scholarship for a Huntingdon boy of intellectual ability who participates in athletics. "Chal" was well known on the campus for his athletic ability. After graduation from Juniata he did graduate work in printing at Carnegie Tech and prior to his induction into the service he was associated with his father in local printing business.

On April 3, 1945, by the direction of the President, Adjutant General J. A. Mio posthumously awarded the Silver Star to First Lieutenant Chalender L. Leshner, Air Corps. A part of the citation read: "Although the crew members could easily have abandoned ship, rather than jeopardize the safety of the formation and the success of the assigned task, they elected to remain at their posts and complete the mission, even at the risk of their lives. . . . Upon completion of the bombing run the flaming aircraft went into an uncontrollable dive and exploded in mid-air, carrying with it the valiant crew whose devotion to duty in the face of disaster exemplifies the highest traditions of the Army Air Forces."
